Chairs Message

Dear SRRO members:

It has been an extraordinary past year for our section. This year, our section has worked tirelessly to increase the active membership, update our written history, and establish our SRRO foundation. All of these exciting changes has climaxed for an awesome meeting in Atlanta, Georgia. Melissa Davis and the rest of the meeting committee have put together an amazing list of activities.

Saturday, July 30, will begin with the Interesting Case Conference. This conference will be held at the Omni Atlanta Hotel from 6 to 9 PM. ***"I strongly encourage all of you to bring cases for discussion"***. Email cases to Dwest610@gmail.com, or bring them with you to the dinner.

Sunday begins with our Annual James D. Collins, MD, Medical Students, Residents and Fellows Symposium Competition and ends with our Annual William E. Allen, Jr, MD, FACR Memorial Lecture and Dinner.

The 14th Annual Elizabeth A. Patterson, MD, FACR Breast Imaging and Radiation Oncology Symposia will be held on Monday. Lastly, Tuesday am, we will have our Annual T. Wilkins Davis, MD, FACR Radiology Section Business Meeting, Interventional Radiology, and the 10th Annual Lionel W. Young, MD, FACR, FAAP Pediatric Radiology Symposia. In the pm hours, we will have the 10th Annual Tracy M. Walton, Jr., MD, Allied Health and Neuroradiology, Body Imaging Symposia, ending the convention with The Annual Esmond Mapp, MD, Memorial Lecture.

With a convention meeting such as this, we can rest assured that we will be among the elite within our professions and subsections. I look forward to seeing each of you at the end of this month!
